Dear Parents/Carers,

Park Federation Trust Celebrates All Four Slough Academies in the Top Ten

The Park Federation Trust is celebrating an exceptional achievement, as all four of its Slough schools have ranked among the top ten best-performing primary schools in Slough.

The latest performance data for the 2023-24 academic year highlights that each school significantly surpassed the national average, where 61% of children in England met the expected standard in reading, writing, and maths.

James Elliman Academy claimed second place with an impressive 87% of pupils meeting the expected standard. Montem Academy followed in fifth place at 80%, with Western House Academy in sixth at 79%. Rounding out the Trust's success, The Godolphin Junior Academy secured the tenth spot with 76%.

Dr. Martin Young, CEO of the Park Federation Trust, stated, *"We are incredibly proud of the achievements of our staff team, pupils and families. These rankings are a testament to the dedication, ambition and hard work of everyone in our school communities. We remain focused on ensuring that every child has the opportunity to reach their full potential, and we greatly appreciate the continued support of the families we serve."*

The Park Federation Trust would like to thank all our families, carers and staff for their continued support in helping us achieve this outstanding success. Together, we will continue to provide an environment where every child can thrive. We look forward to further successes in the future.

Yours Sincerely
