SAFEGUARDING PUPILS DURING DROP OFF AND COLLECTION AND ADVICE ON WALKING HOME ALONE

There are no laws around age or distance of walking to and from school. A families' guide to the law states:

"There is no law prohibiting children from being out on their own at any age. It is a matter of judgement for parents to decide when children can play out on their own, walk to the shops or school."

Parents are legally obliged to ensure their children get to school and attend regularly, but this in itself does not disallow independent travel. **However, as a school we are responsible for the welfare of our pupils and therefore have to consider what we believe is good practice in ensuring the safety of our pupils. We also have an obligation to alert relevant authorities should we believe a child's welfare is at risk.** (See our Safeguarding and Child Protection Policy link below for further information)

[Safeguarding and Child Protection Policy](#)

CHILDREN WHO ATTEND EARLY YEARS FOUNDATION STAGE (EYFS) AND KEY STAGE 1 (KS1)

- Our policy is that no pupil in Foundation Stage or Key Stage 1 should walk to or from school on their own, or be left on their own on the school premises either before or after school.
- At collection, we will only hand over pupils to named adults or older siblings, provided that they are 18 years old or above.
- Pupils will not be handed over to other adults unless the school has been informed by the parent or carer that they have made this arrangement. The school must have the name of the adult for collection to commence.
- Parents and carers must inform us of any drop off and collection arrangements at the start of a new academic year, as circumstances may have changed and the child's new teacher will need to be informed of the correct information. We also ask that parents and carers keep us informed of any changes in arrangements throughout the year, preferably by letter, to the school office.
- If someone else arrives to collect a child, and we have not been notified, the adult will be required to wait until we have verified their identity with the parents or carers. Please understand that if you, or the adult collecting, are questioned about this it is purely for the safety of your child and is not meant to be unhelpful or judgemental in any way.
- These arrangements are also in place for children who attend our breakfast club and/or after school clubs.
- If an adult is late to collect a child, they will be kept in school and parents or carers will be contacted. If contact cannot be made, and the child is not collected within 1 hour, we will consult with the Local Authority Children's Social Care Services to get advice on how to proceed. It may be advised to refer to Slough Children First for further support and/or the police.

- We will not allow older brothers or sisters in school to collect younger siblings as this does not guarantee the safety of all the children involved.

CHILDREN WHO ATTEND YEARS 3 AND 4 (lower Key Stage 2)

- While there is no set age when children are ready to walk to school or home on their own, we believe that pupils in year 3 and 4 should be still brought to and collected from school by a responsible adult or older sibling. Children must not be on the premises before or after school alone. This includes the drop off for breakfast club and/or after school clubs.
- Children in years 3 and 4 may be collected by an older sibling who attends Secondary School, with the permission of their parents or carers.
- We ask parents and carers to notify the school if other adults, or secondary school siblings are authorised to collect from school.
- In the interests of safety, if staff feel the older sibling is not able to ensure the safety of your child adequately then the school may need to speak to parents or carers first before release.

CHILDREN WHO ATTEND YEARS 5 AND 6

- Children in years 5 and 6 are permitted to walk to and from school alone.
- As breakfast club is before the usual school hours, we recommend that your child/ren are accompanied to ensure their safe arrival at school. Particularly as in the winter months it can be cold and dark outside.
- Children in years 5 and 6 may be collected by an older sibling who attends Secondary School. In the interests of safety, if staff feel the older sibling is not able to ensure the safety of the child adequately then the school may need to speak to parents or carers first before release.

ADDITIONAL ADVICE FOR PARENTS AND CARERS

- When deciding whether your child in years 5 and 6 is ready to walk to school you should assess any risks associated with the route and your child's confidence.
- Work with your children to build up their independence while walking to school through route finding, road safety skills and general awareness.
- There are many ways you can prepare your child to make an independent journey.
- Children who are driven to school do not have the opportunity to develop road awareness and are therefore more vulnerable when they start to walk to school independently.
- Walking to school is a great opportunity to learn road safety skills. The best way to do this is to walk with your children from a young age, teaching them about crossing the road and learning how to navigate.
- Only children in years 5 and 6 will be permitted to walk home alone, **however if we feel that this is not in the best interest of the child or there is a concern regarding safeguarding, we will discuss this further with you.**

OTHER INFORMATION ABOUT DROP OFF AND COLLECTION

- If you have a special circumstance that requires your child to be released with a password then please contact Mrs Pinkney, the school's Designated Safeguarding Lead, who can discuss this with you and arrange this.

YEAR 5 and 6 CHILDREN WHO ARE WALKING TO, AND/OR, FROM SCHOOL ALONE

If you have decided that your child in year 5 or year 6 should walk to, and/or, from school alone, you should teach your child to:

- Pay attention to traffic at all times when crossing the street; never become distracted.
- Always cross at the intersection where there are traffic lights; do not cross in the middle of the road. Alternatively cross in a place where you can see clearly in all directions. Avoid parked cars or bends in the road.
- Look both ways before crossing; listen for traffic coming; cross while keeping an eye on traffic. – ensure your child is aware of the ‘green cross code’ and ‘clever never goes’ which replaces ‘stranger danger’. You can find more information on <http://clevernevergoes.org/>
- Look out for cyclists.
- Remember that drivers may not see them, even if they can see the driver.
- Remember that it is hard to judge the speed of a car so be cautious.
- Never, ever, follow someone who is either a stranger or someone they know but is not a designated "safe" adult.
- Speak to your child about what they should do if this should ever happen.
- The NSPCC has useful advice to help you make the decision about staying home or going out alone [NSPCC: Going out or staying home guidance](#)

When deciding whether your child is ready for this responsibility you might want to consider the following:

1. Do you trust them to walk straight home? Make sure there is someone at home to meet your child.
2. Do you trust them to behave sensibly when with a friend?
3. Are they road safety aware? – Check the route that they will take.
4. Would they know what to do if a stranger approaches them?
5. Would they have the confidence to refuse to do what a stranger asked?
6. Would they know the best action to take if a stranger tried to make them do something they did not want to do?
7. Would they know what to do if they needed help?
8. Would they know whom best to approach to get help?

If you are not confident about how your child would react then you should seriously consider whether you should allow them to walk on their own.

If you decide that your child is ready for this responsibility then you must inform the school by letter or by completing the slip below. Your child will be prevented from walking home unless this permission slip is given.

IF AT ANY TIME YOU NEED TO CHANGE ARRANGEMENTS YOU HAVE MADE, PLEASE ENSURE YOU LET US KNOW IN WRITING IMMEDIATELY.
