

James Elliman Academy

September 2020

Please find attached a Coronavirus related absence quick reference guide for children in line with Public Health England guidance.

With regards to other seasonal illnesses, please remember that:

- **if your child is vomiting or had diarrhoea then they should be absent for at least 48 hours**
- sore throats, minor colds - you can send them in
- if your child is suffering from a tummy ache or headache this can be for a range of reasons e.g. anxiety or dehydration - please send them in and if necessary contact our Medical officer for guidance.

Whilst it is important we are responding to the medical advice regarding Covid-19, we still need to ensure our children remain resilient in getting on with their daily routines.

Thank you for your continued support.

Yours Sincerely,

Mrs T Johal
Principal
