

Dear Parents and Carers,

If your child receives speech and language support in school then you can access support and activities in this folder which has been created by Mrs Khosla and Mrs Mann. Each week a new activity will be added. Feel free to have a browse and pick and choose some activities to support your child at home.

Firstly, here is a link to some useful parent information. Please copy and paste the link into your browser if you can not access from this document.
