

Intent	Implementation	Impact
<p>Knowledge: We nurture a love for language and writing by sequentially building students' skills and understanding. Exposure to high-quality texts serves as exemplars and reveals writing mechanics. These texts also provide insights into how writing works and its impact on readers.</p> <p>Inclusivity: We ensure equal writing skill development opportunities for all students, by accommodating diverse needs and celebrating individuality. Tailored support addresses challenges, promoting excellence despite differences in learning or language barriers. Inclusivity is not only about providing access but also ensuring that every student has the opportunity to express their unique voices through writing.</p> <p>Enrichment: We enhance learning by offering experiences like author visits, access to resources, and special workshops to deepen understanding of the writing process and stimulate creativity, creating a comprehensive learning environment.</p> <p>Vocabulary: A rich vocabulary is not only a tool for academic success but also a means of effective communication in everyday life. It allows students' to understand the nuances of language and the art of word selection. Teaching key vocabulary empowers students to communicate precisely, preparing them for success as writers in the future.</p>	<p>By embedding our core values of resilience, gratitude, democracy, diversity, creativity and integrity we intend, in accordance with the 2014 NC to enable children to:</p> <ul style="list-style-type: none"> • Appreciate our rich and varied literary heritage • Write clearly, accurately and coherently, adapting their language and style in and for a range of contexts, purposes and audiences • Develop a love of writing and to be able to express their thoughts and ideas clearly and creatively through the written word. • Re-read, edit and improve their own writing • Confidently use the essential skills of grammar, punctuation and spelling • Acquire a wide vocabulary, an understanding of grammar and knowledge of linguistic conventions for reading, writing and spoken language • Use discussion in order to learn; they should be able to elaborate and clearly explain their understanding and ideas • Become competent in the art of speaking and listening, making formal presentations, demonstrating to others and participating in debate • All lessons are creative and engaging 	<p>Children become writers who confidently communicate their thoughts, knowledge, and emotions through their own style of writing.</p> <p>All children show progress and reach their full potential as writers.</p> <p>Children have the desire to become a writer and display engagement and enjoyment in the art of writing.</p>
