

Hi everyone!

I hope you all are enjoying the home learning and are keeping safe!

It has been a very scary and confusing time at the moment for all of us and I am so proud of how well you have handled it thus far. It has been really hard not to be able to come in each day and see your wonderful smiling faces, I have missed you all so much! However, I wanted to tell you that no matter how long this lockdown goes on for, we need to keep our chins up and keep living our lives. Keep learning, smiling, laughing and playing. This virus will not beat us! We will keep pushing forward because that is what separates the great from the average. And I know that every single one of you are great! And you will continue to do great things in your lives.

I look forward to seeing you all again and I am counting down the days until we are all reunited again.

Remember, stay safe, happy and continue to be keen learners.

From your number 1 teacher,

Mr Emmett
