

6 Horowitz and 6 Benjamin Photo Challenge

A challenge awaits you...

Over the next few weeks, I will set you a selection of challenges to try. Some will be easier than others and some will need you to be extra creative.

This week's challenge is...

Design your own unique cake!

It can be as big as you like, as many flavours as you like and most importantly it can take the shape of anything you like!!

This can be as a picture, coloured in, painted, collaged or a 3D model.

You MUST annotate it and label any features. Use your creativity and enjoy designing!

Send a photo of your completed challenge to: year6jea@theparkfederation.org

Make sure you include your FULL NAME and CLASS.

A photo of the completed activity needs to be emailed, but make sure it is just of the completed activity. In order to be safe online, make sure it is not of you or your family.

Think about what resources you could use before you start the task, talk to your friends/family for advice/ideas...

And finally, **HAVE FUN!**
