

Hello 4 Morpurgo!!!

How are you? It seems like ages since I have seen your smiling faces! How I miss them! How did you guys do with the logo challenge? I haven't heard from many of you. You can email me through the school website and click on year 4 or year4jea@theparkfederation.org

I hope you are all well and healthy. Please do try to fit in some form of exercise everyday. I have been following Joe Wicks on his daily PE sessions, he is a lot of fun. I must admit to making far too many daily trips to the fridge and the snacking cupboard. The only way for me to feel less guilty is to have a PE session with Joe ☺.

How is everyone doing with their timestables? Whose been getting 65/65 on the speed test? Please do keep practising.

It's the Easter holiday soon, I hope you really enjoy your break and enjoy all the scrummy chocolate eggs. There is an Easter Photo challenge whereby I am asking you to design an **Easter Garden** and email me a picture of it. There are more instructions on the attached sheet. Please read it carefully.

Please do look after yourselves and do keep washing your hands. I wish you all the best for the Easter Photo Challenge and look forward to seeing all the photographs.

Lots of love,

Ms Azram.
