

## Letter to 5 Pullman

Hello everyone!

I hope you had a wonderful Easter break! How was your holiday? I'm sure most of you are still recovering from all that chocolate you must have been eating (I know I sure am!).

I know that this is a really uncertain time at the moment and the lock down being extended means that school is still closed. Despite this, I am so proud of you all for being so strong and resilient in this time. I miss you all incredibly and I really do hope that we can start school again very soon so that I can see all of your wonderful, smiling faces again.

Now I did mention how strong and resilient you have all been during this time. I have included a poem I saw which I hope will encourage you to keep being strong and to keep working hard, despite all of the adversity we currently face.

Have a wonderful week and I look forward to talking to you again next week.

From your favourite teacher,  
Mr Emmett.
