

Hi 2 Ahlberg,

I hope you all enjoyed your Easter break and the lovely weather. Are you keeping up with our exercises? Well this week I will be bopping along with Hip Hop Granny and the Super Movers to 'Capital Letters and Full Stops.' Make sure you put your full stops at the end of the sentences! Don't forget. Every day. 9 o'clock sharp. Be there or be square.

How are your seedlings getting on? Mine are coming on nicely and I have been inspired to write a poem about them.

My lovely, jubbly lentils
Live on my window sill
Will they start growing?
Don't know if they ever will.

Is that a root I see?
Growing from my lentil
Is that a shoot I see?
Or am I going mental!

Gave them some water
Gave them sunlight,
Sang a little song
In the middle of the night.

I want to tell 2 Ahlberg
Shout it from the window
I want to tell my neighbours
Sam, Kate and li'l Mo.

Danced in the daytime
Danced around the clock
Danced a little more
Then got a real big shock

They've turned into seedlings
Before my very eyes
Can't express my feelings
Think I'm going to cry.

Must pull myself together
Must let 2 Ahlberg see
That growing different veggies
Can be done easily.

Let's take a look at my carrot tops. I planted them out today and I think they look lovely.

Next week I will be planting celery from the base of the stalks, so if your family use celery this week, be sure to ask for the base and I will show you how you can regrow it.

Remember, remember, remember! Always use the 6-step method when washing your hands, especially before you eat!
