

Mrs MacLeod's  
Message to children 1 Hargreaves.

Dear Children,

I hope you and your family are staying well. How have you been getting with your school work at home? I can imagine that many of you have got lots of stickers for your great efforts. I hope you enjoyed learning the kindness poem and remembered to award your homemade poster to the kindest person in your family.

This week me and my daughters, who are just a little older than you have been doing fun homework tasks together. They have taught me some fun new skills. I have learnt some ballet dancing steps and some Spiderman style P.E. moves. Are there any new skills that you have learnt that you could share with your family?

Always remember to wash your hands and keep germs away. Here is a poster and video to tell you about what social distancing is and why it is so important at the moment.

We are all spending a lot of time with our families and it is important to stay cheery and share the happiness. Many children around the world are drawing rainbows and displaying them in their windows to spread joy.

Here is a link to a rainbow song with music.

Can you learn the words and sing it to your family?

## I can sing a rainbow Song

Red and yellow and pink and green Purple and orange and blue  
I can sing a rainbow  
Sing a rainbow

Sing a rainbow too.

Listen with your eyes  
Listen with your eyes  
And sing everything you see You can sing a rainbow Sing a rainbow  
Sing along with me.

The sun is yellow, the grass is green Look how the sky is blue!  
We can sing a rainbow  
Sing a rainbow

Surely you can too.

Listen with your eyes  
Listen with your eyes  
And sing everything you see You can sing a rainbow Sing a rainbow  
Sing along with me.

While you're singing your lovely song maybe you could make your own rainbow? Here is a template to help you.

Remember to always work hard, stay safe by washing hands and social distancing but most importantly stay HAPPY and helpful. I hope you have lots of fun.

With kind regards  
Mrs MacLeod
