

YEAR 5 PRATCHETT WEEKLY LETTER

Hoping you all had a great Easter break.

I miss you all. Hope you are keeping well and taking time to do your home learning and are enjoying being with your loved ones.

A short message just for you!

I miss all your chattiness and questions. 'Why are we doing this Miss? Is it really necessary?' I can still hear all of you wittering and rabbiting on for ages and you know what, I really miss that.

This week I leave you with a riddle?

**It has been around for
millions of years but it's not
more than a month old?**

What could it be!

Hope you crack it. Until next week!
