

★ Hello children

★ How are you all? I hope you are all keeping well and looking after yourselves and your families. I am spending lots of time with my little boy and we have enjoyed playing games together, watching movies, reading books, baking and of course doing some homework.

★ I have got some fun things for you to do with your families during the Easter holidays. I would love to see photos or pictures of things that you are doing at home, so please ask your grown-ups to take a picture of something you make or do. I will also be setting you a weekly challenge so look out for that!

★ I would love to hear from you all too so ask one of your grown-ups to help you type an email to me or you can send me a video message. You can tell me about how you're feeling and what you have been doing.

★ Have a lovely Easter break. Keep washing your hands and keep those germs away!

★ The Nursery team miss seeing your lovely faces every day.

★ Take care and I'll message you again soon.

★ Miss Mendis ☺
