

Hello Children

How are you all? This week's story is called 'Treasures In The Garden'. I hope you enjoy it. I don't know if you have a garden, I don't have one so me and my son make the most of going outside for walks for our exercise. It's very important to get some fresh air so enjoy the lovely weather and get out when you can.

Have you taken part in a treasure/scavenger hunt before? You could do one inside or outside. If you have brothers or sisters they could join in too and you could draw your own treasure maps! It would be an adventure !☺

I know you all love playing with play dough so with the activities this week I have included a recipe for play dough. If you don't have any at home, you could try making some. I've also included a picture frame activity, so when you're out for a walk or in your garden you can collect things to make a picture.

Weekly Challenge!

In the story, Jake lost his favourite teddy.
Do you have a favourite toy or teddy?

Could you draw a picture of it and tell me all about it and why it's your favourite?

My favourite toy was this polar bear! My Uncle gave him to me when I was younger. I used to cuddle him in bed, take him on holiday with me and now he sits on my sofa and my son plays with him.

Have a wonderful week and remember to send me photos of all the things you're doing at home.

Take care, be safe and keep washing your hands to keep the germs away!

Miss Mendis ☺
