How are you all? This week's story is called "Ronald the rhino", I hope you enjoy it! In $^{\leftarrow}_{\Delta}$ the story Ronald has two lovely friends who make him believe that he is great just the $^{\leftarrow}_{\Delta}$ way he is.

I was wondering, are you all still brushing your teeth twice a day for 2 minutes? I am attaching a toothbrush challenge for you all to use. On the toothbrush chart there is a website where you can enter a colouring competition to win some super prizes. Remember it is SO important to look after our teeth and gums to that they're clean and healthy.

You are all special!

I found this poem and it made me think about how wonderful it is that everybody is different and special in their own way.

What makes you special?

Are you very good at doing something, or being kind, funny and helpful?

Draw a picture of yourself and tell me something that makes you special or unique.

We are all born in a different way How we look and what we say From different countries around the world of different genders: boys and girls of many sizes and colors, too The things we like and the things we do We're sure glad it works this way The world is so colorful everyday I f everyone were the same, you see You wouldn't be you and I wouldn't be me!
