How are you all? This week's story is called 'The Messy Magpie.' It is about something very important and something we should all be doing to look after planet ★Earth. I hope you enjoy it and the activities I have chosen.

🌣 Do you recycle at home? I have a separate bin for my recycling at home and I make sure I don't throw things away which can be recycled. My son and I also look out for the bin men each week and we shout "thank you" to them from our window when they ☆collect our bins.

What have you been up to at home? Last week my son celebrated his 5th birthday so we had fun at home with a mini disco, presents, yummy food and video calls with family and friends.

😓 Did any of you have a go at making play dough last week? Please do keep emailing me 🜣 with news and pictures of what you have been doing – I love seeing how you are all ★ keeping busy.

Weekly challenge - Junk modelling

Can you collect some empty packets, boxes, pots and put them all together to make a model of something?

You could stick it together with glue or sticky tape and then colour/paint it to look even more amazing!

I look forward to seeing what you create. Here are some examples to give you some ideas:

Have a great week - enjoy this extra time you are getting with your families.

Take care, be safe and keep washing your hands to keep the germs away!
