

Hello children

How are you all? This week's story is called "Don't Hog the Hedge". It is about a kind hedgehog who shares her nest with the other animals that want to hibernate through the winter. She is such a lovely friend to the animals and ends up running out of space in her nest. The other animals then decide to find somewhere they can all fit and hibernate together.

What have you all been up to? I hope you've been enjoying the hot weather we have been having. I haven't had any work from some of you in a while - please do send me photos of what you have been doing.

Are you a good friend?

Hattie the hedgehog in the story was such a kind and lovely friend.

What do you think makes a good friend?

I'm sure you all must be missing your friends at Nursery so this week can you draw of yourself and your friends?

Can you tell me why they are your friends and what makes you a good friend?

Friends at School *(a poem)*

Friends at school can play and share.
Friends at school are kind and fair.
Friends at school will talk to you
When you're feeling sad and blue.
Friends at school are big and small.
Friends at school are best of all.

Have a great week.

Take care, be safe and be good!

Miss Mendis ☺
