

Ronald The Rhino

Home Learning Challenge

Ronald tries to be like the different animals in the jungle. What animals can you pretend to be like? Can you slither on the floor like a snake? Can you leap up and down like a frog or monkey? Can you prowl like a lion?

Ronald's friends help him to realise how special and unique he is. What makes you special? Are you very good at doing something, or kind, funny and helpful? Draw a picture of yourself doing something that makes you special and unique.

Ronald the Rhino is a grey colour. How could you make grey by mixing together other colours? Draw a picture of Ronald and use different materials to colour him in. You could paint him and then add different materials to make his body feel rough like a real rhino.

The story has lots of rhyming words. Can you think of any words that rhyme with 'tree'? You could talk with a friend or someone in your family and see how many you can think of. Perhaps you could start with 'knee' and 'key'.
