Creative Time

Geography - Volcanoes – Click on this link and enter into a world all about Volcanoes! This week your first task is to read all the interesting **Volcano facts** on this website and then use all the new, interesting information you have learnt to create an **eye-catching information leaflet!**

<https://www.natgeokids.com/uk/discover/geography/physical-geography/volcano-facts/>

Once you have created your leaflet, you can really test yourself by taking this challenging quiz that tests you on how much you know about the world we live on! Click on the link below to access the QUIZ!
