

Diversity Statement

Our schools are inclusive; we focus on the well-being and progress of every child and we are committed to ensuring all members of our community are of equal worth. **Our approach is based on key principles.**

We:

1. respect all families – regardless of background;
2. aim for inclusion, cooperation and respect to be evident in all schools;
3. value differences - by recognising that each child is unique;
4. understand diversity, e.g. in terms of disability, ethnicity, gender, religion, belief or faith and sexual orientation - to be a strength;
5. expect all curriculum subjects to enrich content by looking beyond a traditional and often clichéd range of references;
6. implement exemplary equality practices with our staff;
7. encourage each school to savour and take pride in its own institutional history and celebrate the unique place it occupies in its particular community;
8. have the highest possible expectations of all our children, expecting them to make good progress and achieve their potential.
